- Can we visit friends?
  - No, unfortunately not. They're only allowed to go shopping, to work or to the doctor. You may only go for walks with family members who live with them or you may go alone.

- Can we visit roommates in our house or cook and eat with them?
  - No, that is also not possible. Try to keep as much distance as possible, do not visit the other in their rooms. Common rooms can no longer be used. The kitchen should only be used by so many residents at the same time that the distance of 1.5 -2 meters can be kept.
